Team Rubicon Assists Smithtown Residents

Team Rubicon assisted Smithtown residents recover from the torrential rain the area received on August 18-19th.

Team Rubicon contacted James Ely Miller Post 833 asking if we could host them September 5-10th. We gladly offered but due to not having shower facilities, they quartered at the Saint James Firehouse.

Maureen Rutkowski, State Administrator of Team Rubicon, asked if we could help with securing meals for her Team. I thought to myself, "who do I know that is a Foodie and knows almost every restaurant owner in the Smithtown area?" That person is our very own Richie Pandolf. I contacted Richie and asked if he would help out Team Rubicon.

Richie went above and beyond securing meals for Team Rubicon's 20 member team. They had breakfast personally delivered everyday along with dinner. These meals were donated by multiple businesses that Richie contacted from throughout the community.

The Post contacted Cooking for Long Island Vets and they also graciously donated food to Team Rubicon.

Thank You Richie for all the hard work you did to make Team Rubicon's time here in Smithtown a pleasant one.

Local Legislators thank Team Rubicon

Department Commanders Visitation

On Sunday, September 8, 2024, Department Commander Keith Koster along with Auxiliary President Kimberly Quick and SAL Detachment Commander Gaither Espey visited Suffolk County.

The day started off with County Commander Kevin Eaton (of Post 833) hosting breakfast at the Commack Diner. That was followed by a visit to the Veterans Memorial Park in Hauppauge outside of the Dennison Building. The party then visited the Lt. Michael P. Murphy Navy Seal Museum. The Department Commander was given a guided tour by Executive Director and former Navy Seal Chris Wyllie. The complete history of the Navy Seals from the Frogmen of WWII to the Elite Special Teams they are today were discussed. I encourage anyone who has not visited the museum to go. It was a wonderful and humbling experience.

The party then went to Babylon Post 94 for the Gala. Members of the James Ely Miller Post 833 family attended the occasion. It was a very nice evening where we were all able to hear from the Department of New York leadership and their visions for the future of the American Legion.

Department Commander Koster comforts a member of Joseph Loeffler Post 1006 who saw, for the first time, a friend was honored on the Garden of Remembrance Wall at the Suffolk County 9/11 Memorial.

Building Revitalization

The Roof has been replaced. All work was completed on 11/3/2023. The DASNY reimbursement check was received on 1/2/2024.

The Hall Floor has been replaced as well. There was extensive structural damage due to water and insects over the past 100 plus years. Due to Palermo Flooring, the floor is structurally sound and will last at least another 100 years. All work was completed 3/28/2024.

The next phase is the parking lot. The grant paperwork has received final approval and the process begins September 30th with the removal of the lot.

The Building Revitalization program was initiated so that James Ely Miller Post 833 will continue to be able to honor it's Mission:

AMERICAN LEGION BOYS STATE AND NATION AMERICAN LEGION BOYS STATE

Since 1935, American Legion Boys State has been one of the country's most revered and selective government instruction programs, teaching high school students about the operation of local, county and state governments. Fifty American Legion departments conduct this program, serving more than 17,000 young men each year. The American Legion Auxiliary sponsors a similar program for young women called Girls State.

At American Legion Boys State, young men learn about the rights, privileges, duties and responsibilities of a franchised citizen. Elected and appointed local officials offer participants objective, practical training in city, county and state governance, and activities are conducted such as legislative sessions, court proceedings, law enforcement presentations, assemblies, band, chorus and recreational programs.

American Legion posts select participants to attend their respective Boys State program after receiving recommendations from school officials. Usually posts, local businesses or community organizations pay the cost of attendance.

American Legion Boys State participants go on to achieve success in a variety of fields. Notable alumni include astronaut Neil Armstrong, basketball legend Michael Jordan and national television news journalist Tom Brokaw.

Honor Flight - Long Island

On May 29, 2004, President Bush dedicated the World War II Memorial to honor "The Greatest Generation," 59 years after the end of WWII. One year later, the Honor Flight Program was inaugurated.

Earl Morse and Jeff Miller, co-founders of Honor Flight, realized that many World War II veterans would never have the opportunity to visit the memorial that was erected in their honor.

It is the intention of Honor Flight Long Island to honor as many of our fellow Long Islanders, who helped to preserve our freedom, as we can by providing them a free trip to visit their memorial. Along with WWII, we are now taking Korean War, Vietnam War and other conflict veterans to Washington D.C.

Lifetime Liberty Pass

Starting April 1, 2024, New York veterans and Gold Star families will be granted free access to state parks, campgrounds, historic sites and recreational day areas throughout the state, thanks to an expansion of the Lifetime Liberty Pass Program, the governor's office announced.

This program will now give the following benefits:

- No greens fees at State Park-operated golf courses
- No swimming pool entrance fees at State Park-operated pools

Gold Star Family Members will receive the program's benefits when they present a Lifetime Liberty Pass card to employees at staffed parks. Lifetime Liberty Pass applications will be available on the Office of Parks, Recreation and Historical Preservation's website starting on April 1. **Veterans who have a veteran status designation on their New York State DMV ID can present their ID to employees and don't need to apply for a card.**

More information about the Lifetime Liberty Pass Program can be found at <https://parks.ny.gov/admission/lifetime-liberty-pass.aspx>

LIFETIME VETERANS PASS

Veterans can present one of the four forms of acceptable ID (Department of Defense ID Card, Veteran Health ID (VHIC), Veteran ID Card, or veteran's designation on a state-issued US driver's license or ID card) at [participating federal recreation areas](#) that normally charge an entrance fee. Gold Star Families obtain information, self-certify they qualify and download a voucher on NPS.gov.

Knife 13 Memorial Monuments

By the Vietnam Security Police Association, Inc.

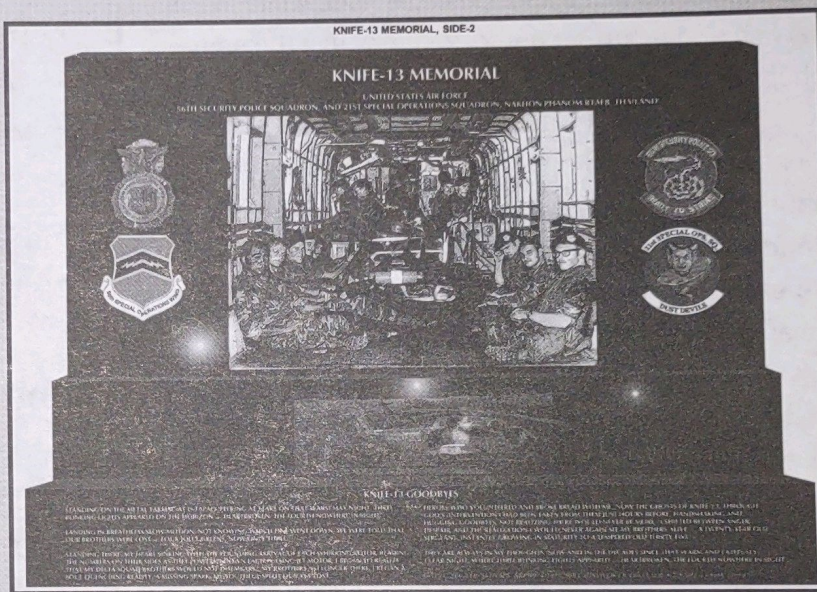

The Vietnam Security Police Association, Inc. (VSPA) is raising funds to deliver two long-overdue recognition memorial monuments to honor the 18 Security Policemen and five aircrew members (all assigned to the 56th Special Operations Wing, Nakhon Phanom, Thailand) who perished in the crash of United States Air Force Helicopter, Knife 13, on 13 May 1975 in Thailand. The monuments will be located at Luke Air Force Base, Arizona (current home of the 56th Fighter Wing and 56th Security Forces Squadron) and the Security Forces Museum at Lackland Air Force Base, Texas.

The VSPA is a 501(c)(19) tax exempt organization of military war veterans who served as United States Air Force Air Policemen, Security Policemen, and Augmentees in Vietnam and Thailand. All

donations to the memorials will be tax deductible for donors.

The anticipated cost of both granite monuments has been estimated at \$100,000 and fund raising is already underway using VSPA's extensive network of retired and active-duty Security Forces Defenders, including K-9 and others, plus the Special Operations community.

VA Expands Burial Benefits for Veterans

VA in October raised the burial and plot allowances for veterans who died in nonservice-related incidents. The department also asks veterans and families to plan ahead for VA's "end-of-life benefits."

BY DAVE SPIVA

The VA last year announced new burial allowance rates for veterans who have died in nonservice-related incidents since October.

VA announced several updates to burial benefits aimed at providing support to veterans and their families. These updates, according to VA, reflect the department's commitment to honoring U.S. veterans around the world.

TRANSPORTATION EXPENSES

In the past, VA covered costs for transporting remains to eligible national cemeteries. Now, this benefit has been extended to include transportation expenses to state and tribal veteran cemeteries.

"[For service-related deaths], VA will pay up to \$2,000 toward burial expenses for deaths on or after Sept. 11, 2001, or up to \$1,500 for deaths prior to Sept. 11, 2001," according to VA. "If the veteran is buried in a VA national cemetery, some or all of the cost of transporting the deceased may be reimbursed."

For nonservice-related deaths, VA will pay a \$948 burial allowance and \$948 for a plot if the veteran died on or after Oct. 1, 2023. If the veteran died between Jan. 5, 2023, and Oct. 1, 2023, VA would pay an \$893 burial allowance and \$893 for a plot. PLAN 'END-OF-LIFE BENEFITS' NOW

VA Under Secretary for Benefits Joshua Jacobs noted in a VA press release that in fiscal year 2022, VA delivered more than 84,000 burial benefits to families.

"Expanding burial benefits means we are able to ensure veterans are honored in their final resting place and assist their family, caregivers and survivors during the difficult time of their loved one's passing," Jacobs said.

VA's national cemeteries provide benefits for traditional casket or cremation burials. For eligible veterans and family members, VA national cemetery

burial benefits include:

- Opening and closing of the gravesite
- Inscribed headstones or markers
- Burial flag
- Award of the Presidential Memorial Certificate
- Perpetual care of the gravesite

For those being placed in private cemeteries, benefits only include:

- Headstones, markers or medallions for the gravesite
- Burial flag
- Presidential Memorial Certificate

VA also may provide burial allowances to assist with a family member's burial and funeral costs for those eligible. VA encourages veterans to consider their "end-of-life benefits" provided by the department. To learn more, visit <https://www.va.gov/plan-ahead>.
