Past Events

"The secret of change is to focus all of you energy, not on fighting the old, but on building the new."

Down the road from the home of Fred Wagner. (now the Byzantine Catholic Church Rectory) The gambrel barn, then belonging to Fred and Annie Wagner at their Sunny Brook Farm, is now the Captain James Ely Miller American Legion Post 833.

The land was once part of Fred's 180-acre Sunny Brook Farm. The land was purchased in 1928 from WWI American aviator Clarence Bernard Maloney who flew with the RAF until injured in France some seven months after Captain Miller was killed in action.

Replacement of Hall Floor

On March 4, 2024, Palermo Flooring began the process of removing the old Hall floor. This floor has been in place since the early 1900's and was beyond repair. There were a number of structural issues that had to be fixed/solved but in the end all worked out.

Past Events

Replacement of Hall Floor

Membership

The renewal process begins in July for the upcoming 2025 membership year. The Legion Membership year is July 1st to June 31st. Renewal notices are sent out in July, October, and January.

If dues are paid to the local post, it takes a little longer for national to be notified about the renewal and the member may receive another renewal notice. If this occurs, please contact Post 833 to ensure that we have received your dues.

To avoid this, we **STRONGLY** suggest that you renew your membership online. By doing so, your membership will be renewed immediately avoiding any delays in notification to national.

In order to renew online please click these [2024 Dues \\$45](#) or [RENEW ONLINE](#) buttons. (You'll need your Legion ID #)

If you have not paid your 2024 dues by January 1, 2024, you're delinquent.

Important Note: 2025 Dues Increase
Due to National and County raising dues, Post 833 dues will increase to \$55 for 2025 (This was voted on at the January meeting)

VOAGC Members:

If you have not paid your 2024 dues by January 1, 2024, Your FOB will be deactivated.

"Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude. America will never forget their sacrifices." Harry S. Truman, April 16, 1945

AMERICAN LEGION BOYS STATE AND NATION AMERICAN LEGION BOYS STATE

Since 1935, American Legion Boys State has been one of the country's most revered and selective government instruction programs, teaching high school students about the operation of local, county and state governments. Fifty American Legion departments conduct this program, serving more than 17,000 young men each year. The American Legion Auxiliary sponsors a similar program for young women called Girls State.

At American Legion Boys State, young men learn about the rights, privileges, duties and responsibilities of a franchised citizen. Elected and appointed local officials offer participants objective, practical training in city, county and state governance, and activities are conducted such as legislative sessions, court proceedings, law enforcement presentations, assemblies, band, chorus and recreational programs.

American Legion posts select participants to attend their respective Boys State program after receiving recommendations from school officials. Usually posts, local businesses or community organizations pay the cost of attendance.

American Legion Boys State participants go on to achieve success in a variety of fields. Notable alumni include astronaut Neil Armstrong, basketball legend Michael Jordan and national television news journalist Tom Brokaw.

Honor Flight - Long Island

On May 29, 2004, President Bush dedicated the World War II Memorial to honor "The Greatest Generation," 59 years after the end of WWII. One year later, the Honor Flight Program was inaugurated.

Earl Morse and Jeff Miller, co-founders of Honor Flight, realized that many World War II veterans would never have the opportunity to visit the memorial that was erected in their honor.

It is the intention of Honor Flight Long Island to honor as many of our fellow Long Islanders, who helped to preserve our freedom, as we can by providing them a free trip to visit their memorial. Along with WWII, we are now taking Korean War, Vietnam War and other conflict veterans to Washington D.C.
